11th May 2020

Dear Parents and Carers,

I am sure that many of you will have questions regarding the messages in The Prime Minister's speech yesterday evening and his reference to the possibility of schools opening on the 1st June for children in Reception, Year 1 and Year 6.

The information given in the speech was as new to me as it was to you and I have many questions for which I require answers. At the current time we are waiting for more guidance before we make any specific plans to reopen school for more children.

At the moment, school will remain open to provide childcare for the children of Key Workers and vulnerable children who have been allocated places and we do not have plans in place to allocate more places in the next few weeks.

I appreciate that you may have questions about the proposal to further open schools for specific year groups but I would ask that you please refrain from contacting school about this matter as we do not have any answers at the moment.

We all want children back in school and life to return to normal however, in making any decisions about increasing the number of children in school, my first priority will always be the safety of our children, staff and parents.

I look forward to updating you as further information becomes available.

Regards,

Mrs Jenkinson (Headteacher)
